Subject: RE: Update on Oregon 303(d) list

Thanks, Lori. Copying JB and Kim too as they were raising other issues on the OR 303d listing that we should discuss.

Allyn—we need to make sure that ORC is more involved in these discussions leading to a decision.

Thanks for the update. I hadn't heard that a decision was made.

Hello. I wanted to update you on what I've heard from Jill regarding the status of management decision-making on the Oregon 303(d) list.

Attorney Client / Deliberative Process / Ex. 5 we were prepared to finalize on July 26th. I've just forwarded you both that invite.

I previously prepared a litigation risk assessment on options for the OA listing that was provided to Chris, I think I will supplement that for the other listings to have for the July 26 briefing.

I probably don't need to tell you both that if we pull back on the proposed non-OA listings, we likely will be sued by NWEA in addition to CBD.
